

## Pop Box 9:30

Got Talulah Gosh, I've got The Aislars Set  
I ordered 'em all on the internet  
It's not what I'm paid for  
But it's the only thing that makes me go go go

Only one response, I'll tell you what it is  
Get some Helen Love, get some early Bis  
It's not what I'm paid for  
But it's the only thing that makes me go go go go

*Pop box, delivered here to save me*  
*Pop box is all I need today*  
*Pop box, it's only just 9:30*  
*Oh pop box*

Only just got in and I wish I'm gone  
Just to get me home, I wanna put it on  
It's what I'm alive for  
And it's the only thing that makes me go go go go

*Pop box, delivered here to save me*  
*Pop box is all I need today*  
*Pop box, it's only just 9:30*  
*Oh pop box*
